ORAL ARGUMENT

The Illinois Supreme Court, in its order entered March 17, 2020, directed that all Illinois Courts continue to establish and periodically update temporary procedures to minimize the impact of COVID-19 on the court system, while continuing to provide access to justice.

The Court further directed that all essential court matters and proceedings shall continue to be heard by the Illinois courts, and if feasible and subject to constitutional limitations, essential matters shall be heard remotely via telephone or video or other electronic means, and non-essential matters and proceedings should be continued, or where possible conducted remotely via telephone or video or other electronic means.

Upon review, the Court has determined that oral argument in this case shall proceed on July 19, 2023, pursuant to Illinois Supreme Court Rule 352 (eff. July 1, 2018) via Zoom videoconferencing.
